RE: County MR/DD Special Education Disbursement – February #2

DATE: February 12, 2007

This information is for the second payment in February for the county boards of mental retardation and developmental disabilities subsidy payment pursuant to Section 3317.161, of the Ohio Revised Code.

The FY2007 preschool reimbursement is based on the finalized FY2006 actual approved units as submitted to this office by the Office of Early Childhood with the years of experience increased by one year. Your preschool payment has been reduced to 97.559009% to stay within the appropriation.

The school age payment is based on FY 2007 ADM data submitted in the fall of 2006 to the Office of Special Education.

The transportation amount is an estimate based on your FY2006 amount. The correct amount will be based on your FY2006 T2 when that report is closed.

The MRDD FY06 Final adjustment has been included with this payment. It is the difference between the FY06 June #2 annual settlement amount and the recalculated calculated amount.

The school-age payment is based on the following amounts per pupil pursuant to Am. Sub. H.B. 66:

1. $5,403* Cost-of-doing-business factor for student's district of residence: plus
2. $5,403 * Weight * State share % student's district of residence * .90

Continuation of six special education categories phased in at a rate of 90%.
