Ohio Educator Evaluation Systems Update

Office of Educator Effectiveness 10/31/2012 [Volume 1, Edition 8]
Office of Educator Equity and Talent

Student Growth Measures Edition

LOOK FOR ADDITIONAL GUIDANCE, RESOURCES, AND MATERIALS on Student Learning Objectives (SLOs) on the Educator Evaluation webpage found here, including a comprehensive guidebook with:

- Guidance on selecting assessments for SLOs
- Scoring the individual SLO
- Sample teacher SLO
- Sample principal SLO

NEW TO EDUCATOR EVALUATION WEBPAGE IN NOVEMBER

Additional guidance will be posted on how to combine Student Growth Measures (SGMs).

REGIONAL TRAINING

ODE also will be offering regional training focused on implementing SGMs for Ohio's Teacher and Principal Evaluation Systems by the end of the calendar year. This training is optional and can be used to develop training at the local level. It is free to all participants and will be offered through September 2014. Additional information will be forthcoming regarding training dates and locations.

STUDENT GROWTH MEASURES AND ALIGNMENT SPECIALISTS

To support the implementation of the Student Growth Measures component of the evaluation systems, ODE is working in collaboration with select regional partner RttT Educational Service Centers to train and deploy Student Growth Measures (SGM) and Alignment Specialists. These SGM Specialists will support LEAs by providing technical assistance and professional development following the regional trainings to district administrators, teachers, and other personnel on the alignment of local systems to the state framework and development and implementation of district and building student growth measures using the SLO process.
