Puppies

When puppies are born, they cannot see.

They sleep most of the day.

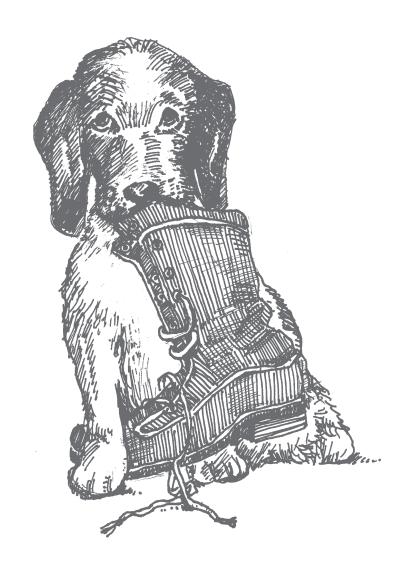

Their eyes open after about 15 days.

As puppies grow, they need to eat many times a day.

They need to drink water too.

Puppies are fun pets.

Puppies also like to chew on things like bones, rubber balls and even shoes.

3

You can throw a ball and teach a puppy to bring the ball back.

You can teach a puppy to do tricks.

Most puppies love to play with a ball.
