EMIS Release Notes – New Collection Request

Collection Request Name: Kindergarten Readiness Assessment Collection (FY27)

Collection Request Description: This collection is required for any entity that administered the Kindergarten Readiness Assessment. The source file is the FA Record type labeled with the A data set. Data must be uploaded in EMIS Manual format through the Data Collector Data Sources tab using fixed-length or CSV files. All FA assessment types can be included in the upload file, but only records with the Assessment Type Code (FA060) of GO will be reported to the Department and appear in the Student Assessment (FA) Records preview for this collection. This version includes a missing report for students who were enrolled during the test window. A later version will include students who have results in the vendor file.
