RE: County MR/DD Special Education Disbursement – February #1

DATE: February 2, 2007

This information is for the first payment in February for the county boards of mental retardation and developmental disabilities subsidy payment pursuant to Section 3317.161, of the Ohio Revised Code.

The FY2007 preschool reimbursement is based on the finalized FY2006 actual approved units as submitted to this office by the Office of Early Childhood with the years of experience increased by one year. Your preschool payment has been paid at 100% of the calculated amount.

The school age payment is based on FY 2007 ADM data submitted in the fall of 2006 to the Office of Special Education. NOTE: Although the switch from the FY2006 data to the FY2007 data took place for the January # 1 calculation, it was not reflected in that payment. It was reflected in the January #2 and the February #1 payment.

The transportation amount is an estimate based on your FY2006 amount. The correct amount will be based on your FY2006 T2 when that report is closed.

The MRDD FY06 Final adjustment will NOT be included in the FY07 February #1 MRDD payment. It will be included in the FY07 February #2 MRDD payment

The school-age payment is based on the following amounts per pupil pursuant to Am. Sub. H.B. 66:

1. $5,403* Cost-of-doing-business factor for student's district of residence: plus
2. $5,403 * Weight * State share % student's district of residence * .90

Continuation of six special education categories phased in at a rate of 90%.
