Ohio's System of Differentiated Interventions and Supports for Identified Alert Schools in Ohio's ESEA Flexibility Waiver

Interventions and Supports	*Alert Schools (2012-13 only)*
Use the Decision Framework to create LEA and building needs assessments to develop one focused plan for the LEA. Institute and fully implement data driven goals (including subgroup performance data) to form one focused plan including PD for teachers and technical assistance by State Support Team or Educational Service Center. #	Required
Direct Title I funds to interventions including: expanded learning time, job embedded professional development, and other school specific needs as identified through the intervention models and/or School Improvement Plans.	Required
Establish a District Leadership Team (DLT), Building Leadership Teams (BLTs) and Teacher Based Teams (TBTs) in accordance with the Ohio Improvement Process.*	Required
Implement quarterly, short cycle formative assessments to provide data to assess the effectiveness of instructional practices.	Required
Receive desk-top monitoring of plan and OIP implementation by the State Support Team using the Ohio Improvement Process Implementation Review.	Required
LEP/ELL Improvement Plan as required in CCIP	Optional
Instructional Improvement System (IIS)	Optional
Strategies for Diverse Learners	Optional

Medium and high support LEAs will be required to address school safety, discipline and non-academic barriers to learning in their LEA and School Improvement CCIP plans

*** OIP fidelity standards for required implementation**:

- BLTs and DLTs meet at least once a month during the school year
- TBTs meet at least 40 minutes per week when school is in session
- BLTs and TBTs are highly encouraged to meet more frequently

Definition: Alert schools include non-Title I served schools with the highest subgroup proficiency and graduation rate gaps that have not made sufficient progress in decreasing those gaps over three years. They are identified using the same criteria as focus schools. The alert school designation applies to these buildings for only the 2012-2013 school year.

Required: ODE Ohio Network for Innovation and Improvement Contractors or SST consultants will assist schools.
