Number of Points by Standard

Each of the standards will have a minimum number of points on each test form. The chart below shows this distribution.

Points By Standard	
Reading Process	10-15
Reading Applications – Informational, Technical, and Persuasive Text	14-18
Reading Applications – Literary Text	12-17
Acquisition of Vocabulary	8-9

Reporting of Results

Results will be reported using a scaled score for overall achievement as well as raw score points received for each of the following standards:

- Reading Process: Concepts of Print, Comprehension Strategies, and Self-Monitoring Strategies
- Reading Applications: Informational, Technical, and Persuasive Text
- Reading Applications: Literary Text
- Acquisition of Vocabulary

Notes:

- The test will be administered in one session.
- A field test selection and 6-item set (five multiple-choice items and one constructed response item) will be embedded in each form.
- If the Long selection is Literary, both Short selections will be Informational; if the Long selection is Informational, one Short selection will be Literary.
- One of the two Medium selections will have one Short Answer item and one Extended Response item; the other Medium selection will have two Short Answer items. If the Long selection is Literary, the Medium Literary selection will not have an Extended Response item.
