Aleithia Bell, President

Welcome back to school Future Educators! I hope you had an awesome and fun filled summer! The executive committee is working hard to be sure that the 2013 conference is fun and inspiring. Be sure to have all of your short term and long term goals in mind as you go through this school year. Suck up all the knowledge form your advisors and keep a positive attitude. I hope you all are as excited as I am!

Jalen Brown, Vice President

Greetings! I hope my entire fellow Future Educators had as great a summer as I have. I would like to personally thank you for electing me as your state vice president. It is my responsibility and my honor to be a part of the Executive Committee, and to plan and execute next year's state conference to be more beneficial to all Future Educators. I am looking forward to a conference that will establish a precedent for future conferences and will better highlight the mission for FEA Ohio.

Shelby Wilkerson, Recording Secretary

Welcome back, Future Educators! I hope you had a great summer and are ready to start the year. The state conference will be held at the University of Findlay this year. We are excited to get started working on organizing the competitions. I have been participating in the meetings and giving my input to make conference better and more efficient for the FEA members. If you have ideas to share with me, please contact me and I look forward to seeing you at the conference!

Nick Benge, Public Relations Secretary

Hello everyone! I hope you had a memorable and safe summer break and are ready for next year's conference at the University of Findlay. FEA Ohio officers will be in Orlando for the National Conference; please join us to represent our state! I can speak for all of us when I say that we are humbled by the experiences made possible by electing us to lead FEA Ohio. Enjoy the new school year.

BREAKOUT SESSIONS:
If your chapter is interested in presenting a breakout session at the state conference in March, please submit your ideas to us for consideration. Many of the best ideas come from YOU, so please participate and share your innovative ideas and effective teaching practices. Also, if you know of someone who has a best practice that they are willing to share in a breakout session, let us know so we can contact them.
