STATEG04 - 0000001

The state, district, school and class % reflect the percent of students selecting the correct response for multiple choice items.
The state, district, school and class *mean* reflects the average scores of students for short and extended response items.
To view actual test questions, please visit the ODE Web site "http://www.success.ode.state.oh.us/" or refer to Ohio Department of Education publications.

Not all items from the March 2006 administration will be released. According to Ohio Revised Code (ORC) 3301.07.11:N4(b).....not less than forty percent of the questions on the test that are used to compute a student's score shall be public record. The Ohio Department of Education shall determine which questions will be needed for reuse on a future test and those questions shall not be public records and shall be redacted from the test prior to its release as a public record.
