EMIS Release Notes – Updated Manifest

Collection Request Name: Student Cross Reference Collection (FY27)

Description of Change: Updated the Student Standing (FS) Record CSV file layout.

Planned Availability Date: 7/30/2026

Version Number: 2

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** For some EMIS reporting entities
- **Running a new prepare of the collected data?** For some EMIS reporting entities
- **Replacing any data already submitted to ODE with a new submission?** For some EMIS reporting entities

"Updated Version Requires" Additional Information: None

Enhancements: None

Known Issues Resolved: Attendance elements have been removed from the Student Standing (FS) Record CSV file layout. The previous version of this collection request allowed collections with attendance columns from the FS Record to be processed, but this version will not. If districts attempt to collect and prepare data from a CSV file that includes columns for the three removed attendance elements, the FS records will result in a fatal error.
