3301-32-03 Staff requirements and ratios, and volunteers.

(A) Staff/child ratios shall be at least one staff member caring for eighteen school children who are five years old, but less than eleven years old; or at least one staff member caring for every twenty school children who are eleven years old, but less than fifteen years old.

(B) The maximum group size shall not exceed twice the maximum number of children allowed per staff member as required in paragraph (A) of this rule. When there is a combination of ages within a group of school children, the age of the youngest school child shall determine the maximum number of children per staff member. There may be multiple groups at one site.

(C) When one to eighteen children are in attendance, one staff member or responsible individual who is at least eighteen years of age shall be in attendance and, at a minimum, at least one other responsible individual shall be accessible in the building in which the program is located. At least two staff members shall be present on field trips including seven or more participating children.

(D) At a minimum, one team leader/administrator shall be present on site at least fifty per cent of the operating hours of the school child program.

(E) Staff/child ratios established in this rule shall be maintained for each program site.

(F) Staff members shall at all times accompany and supervise children at swimming sites including, but not limited to, public or private swimming pools. Swimming sites not on the same premises as the program shall be approved and supervised by local authorities. Activities in bodies of water 18 inches in depth shall be supervised by persons who are currently certified as lifeguards or water safety instructors by the American red cross, YMCA, or an equivalent water safety program. Swimming in lakes, rivers, or ponds is unallowable.

(G) The program shall provide enough staff members to meet the ratio requirement at all times during swimming and water play activities.

(1) Written policies, procedures, and supervision plans may include the following options provided staff/child ratios are maintained:

   (i) Children may run errands or use the restroom without direct adult supervision in the area designated for the program's use by the site plan if the children are within hearing of a staff member, a staff member knows the whereabouts of the children at all times, and a staff member checks on the children every five minutes; and/or

   (ii) Children kindergarten grade and higher in groups of two or more may be without direct adult supervision in the area designated for the program's use by the site plan if the children are within sight or hearing of a staff member in adjoining or adjacent space, a staff member knows the whereabouts of the children at all times, and a staff member checks on the children every five minutes and documents the observation; and/or

   (iii) When a group of children are outdoors, a staff member shall be able to summon another adult without leaving the group alone or unsupervised. A school child fourth grade or older may leave the group to summon an adult.

   (iv) With mutual agreement of the parent(s) or guardian and the school child program, school children may be permitted to leave the school child program for specific activities in accordance with the requirements.
(H) The file for any individuals used to meet ratio or left alone with a child is to include, at a minimum:

1. A current profile in the Ohio Professional Registry (OPR);
2. Evidence they are at least 18 years old;
3. A high school diploma or equivalency;
4. Orientation training as prescribed by the department, completed within 30 calendar days of the staff member’s start date;
5. Program policies and procedures orientation training completed prior to or within seven calendar days of the first scheduled date of attendance on the job, except that the discipline policy and procedures shall be reviewed before working with children;
6. In-service hours as set forth in section 3301.54 of the Revised Code and then annually as follows:
   a. If the individual works 29 hours or less a week then 2.5 hours of in-service is to be completed; or
   b. If the individual works 30 hours or more a week, then 5 hours of in-service is to be completed;
7. A medical statement signed by a licensed physician assistant, advanced practice registered nurse, or a certified nurse practitioner that documents that they are free of communicable disease and fit to work with children. The documentation should be dated on or before the first day of employment; not more than twelve months prior to employment and up to thirty days after employment;
8. Evidence of criminal record checks and five-year updates that meets the following:
   a. The requirements as prescribed in section 3301.541 of the Revised Code and, if applicable, rehabilitation criteria as described in rules 3301-20-01 and 3301-20-03 of the Administrative Code.
   b. The background check requirements as prescribed in rule 5101:2-12-09 of the Administrative Code and the Child Care and Development Block Grant Act of 2014, P.L. 113-186 (11/19/2014), 128 Stat. 1971 (2014), 42 USC 9858 (CCDBG Act of 2014) for programs contracted to provide publicly funded child care services;
9. Documentation of current age appropriate first aid, age appropriate CPR, recognition and prevention of communicable disease and child abuse recognition reporting and prevention training, if the individual is used to meet the coverage requirement; and
10. If authorized to administer medication, documentation of medication administrating training in accordance with section 3313.713 of the Revised Code.

(I) In-service training hours may be accumulated through post-secondary coursework, seminars, workshops, conferences, structured observation of other programs, topic specific staff meetings, and orientation training required in this rule. Electronic media resource trainings, and self-study may be used for the child-care staff member’s in-service training.

(J) In-service training is to be in one of the following areas: child development or early childhood education, Ohio approved professional development training, or health and safety.
(K) Documentation of completed in-service training as required shall include date, place, topic, program coordinator’s and presenter’s signatures, or in the case of self-study, the title, author/producer, and annotated bibliography of the self-study course in lieu of the presenter’s signature.

(L) In-service training hours accumulated through post-secondary coursework, seminars, workshops, and conferences on topics other than first-aid, child abuse, and management of communicable disease, shall be provided by an approved trainer who shall have at least two years of experience specific to the subject area and possesses one of the following:

(1) An associate or higher degree in child development, education, home economics, nursing, nutrition, psychology, dental hygiene, social work, or other related fields. Evidence of an associate or higher degree shall be a copy of a diploma, a transcript, or other written evidence of completion of at least ninety quarter credit hours or sixty semester credit hours from an accredited college, university, or technical college.

(2) A currently valid child development associate credential issued by the council for professional recognition (www.cdacouncil.org).

(LH) A staff member with current valid age appropriate first aid, age appropriate CPR, child abuse recognition and prevention, and management of communicable disease certification shall be on site at all times when children are in attendance. A staff member with current valid age appropriate first aid and age appropriate CPR training shall be readily available during field trips.

(I) In-service training on age appropriate first aid, age appropriate CPR, child abuse recognition and prevention, and management of communicable disease shall be updated according to the length of time required by the approved organization.

(J) Only staff members, volunteers, and responsible individuals who meet the requirements of rule 3301-32-02 of the Administrative Code and work directly with the children shall be counted in the staff/child ratio.

(J) Staff members, volunteers, and responsible individuals shall be responsible for implementing procedures that address continuity of care.
