# QUESTIONS FOR DISCUSSION

Please review Ohio's draft strategic plan for education, entitled *EachChild*=OurFuture, and be prepared to share your thoughts on the following questions:

1) From your perspective, what are the plan's greatest strengths?

2) From your perspective, what might be missing from the plan?

3) Are the vision, goal and strategies set right?

4) Is the language used throughout the plan clear and understandable? Is the plan compelling, and does it convey a sense of urgency?

5) From your perspective, what specific improvements would you recommend for the plan?
