

CTE Middle Grades Waiver Form Instructions

The Career-Technical Education (CTE) Middle Grades Waiver Form is now accessible through the OH|ID portal (formerly SAFE). A district can access the form through the OH|ID portal accounts of the Superintendent or Superintendent Designee.

Per 33 Ohio Rev. Code Ann. Sec. 3313.90. 2014, districts are required to provide career-technical education for middle grades. However, if the board of education of a school district adopts a resolution that specifies the district's intent not to provide career-technical education to students enrolled in Grades 7-8 for that school year and submits that resolution to the Department, the Department will waive the requirement for that applicable school year. Districts must submit the waiver by September 30 of every year.
