

Business Advisory Councils

2022 Annual Plan Submission Guidance

OVERVIEW

Each school district and educational service center must create and submit a business advisory council plan to the Ohio Department of Education.¹ This guidance document is designed to help districts complete the submission process.

Submission of these plans will take place through the Data Collection application located within the [OH|ID](#) web portal. Plans are due annually by Sept. 30.

Any district that entered an agreement² to receive services from an Educational Service Center (ESC) or Joint Vocational School District (JVSD) and has agreed the ESC's or JVSD's business advisory council will represent the business of the district does not need to upload a separate plan. The educational service center's or JVSD's submission of its plan is sufficient to meet the requirement. However, the plan must include all districts represented by the council.

Please note: Although districts supported by educational service centers' business advisory councils are not required to upload separate plans, the Department is asking those districts to answer questions within the Data Collection application identifying their supporting educational service centers.

Accessing the Data Collection Application

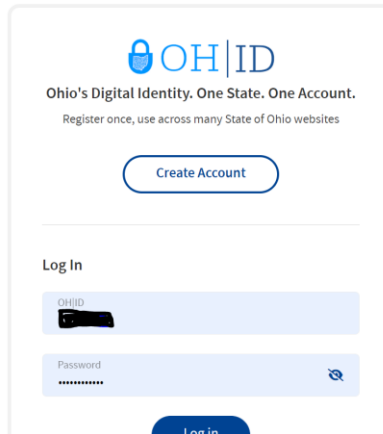

The Ohio Department of Education uses the Data Collection application to complete the business advisory council plan collection process. Users access the system through the OH|ID web portal.

Users must have one of the following roles in the Ohio Educational Directory System (OEDS), assigned by the district's OEDS administrator, to complete the required surveys:

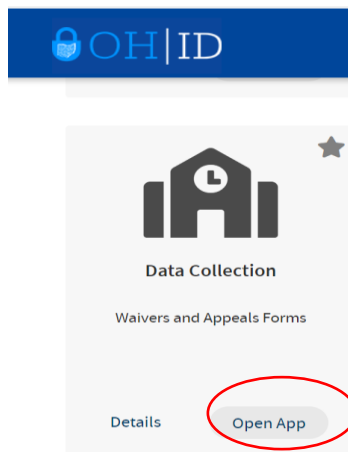

- Superintendent
- Superintendent Designee

Note: A user who needs access to the system but does not have one of these roles must contact the district's OEDS administrator.

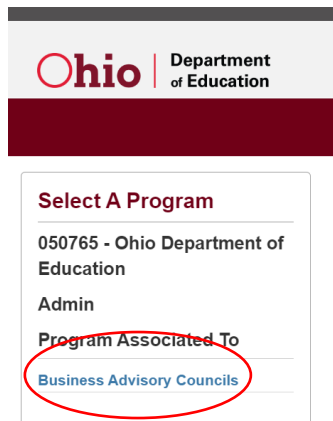

1. Log into [OH|ID](#) portal. If you do not have an account, click Create and follow instructions.

2. Select the new Data Collection Application and click open app.

3. Select Business Advisory Council Program.

4. Enter district IRN or Name and click search.
