

You have big dreams. Here's how to achieve them.

There may be several ways to make your dreams come true. Thanks to OhioMeansJobs K-12, getting the information you need is easy, convenient and free.

PLANNING FOR FUTURE SUCCESS

Career Connections is all about making what you are learning relevant.

Are you interested in information technology or healthcare? Engineering or finance? Check out career pathways to see how you can start matching your classes to your interests as early as seventh grade.

Create a plan tailored to you that includes options like earning college credit and industry credentials in high school. Take the lead in creating your own learning experience through credit flexibility.

HOW IS OHIO HELPING?

An exciting, robust online tool – OhioMeansJobs K-12 – grabs and guides you through job and career exploration based on your interests. It is a no-cost career planning resource that focuses on opportunities available in Ohio.

OhioMeansJobs K-12 allows you to fill a backpack designed just for you. The “Explore It” menu includes a profile of your interests, career information, a plan and a budget for education and training, possible occupations, potential salaries, resume and job searches.

CAREER PATHWAYS

A Career Pathway is a collective look at education and training, wage and outlook information for related occupations. These pathways offer an overview of the various career options along with education and training that can begin as early as grade 7. Whether a student is interested in going to college, getting a certificate or working right after high school, career pathways can be customized for any ambition or plan. For additional career planning resources, visit OhioMeansJobs.com.

Health Science, Dental Pathway

INFORMATION FOR STUDENTS AND FAMILIES

Start thinking about your future. Find careers that match your skills and interests.

Contact your school counselor for more information.

Career Connections is a joint initiative between the Governor's Office of Workforce Transformation, the Ohio Department of Education and the University System of Ohio.
