

Using Business Advisory Councils to Connect Business and Education Leaders

July 20, 2020

Agenda

1:00p – Introductions and Aspirations (via Padlet)

- ✓ *Intended outcome: To foster collaboration among councils and organizations.*
- ✓ <https://padlet.com/ODE/BAC2020>

1:05p - Business Advisory Councils Overview

- ✓ *Intended outcome: Ohio Department of Education staff will identify where to find information related to Business Advisory Councils and highlight key areas of expected work. This will allow leaders to ask clarifying questions about policy. We will also re-emphasize the importance of this work.*

1:15p – High-Impact Business Advisory Council Highlight

- ✓ *Intended outcome: Hear from Business Advisory Councils that have yielded great results for students and schools. Ask questions about how they did it!*

- Akron Public Schools – Rachel Tecca
- Auglaize-Mercer Business Education Alliance – Shelly Busse
- Building Bridges to Careers – Tasha Werry
- Montgomery County ESC – Bryan Stewart

1:55p – Virtual Whiteboard “Discussion” on Activities and Programs

- ✓ *Intended outcome: Share your most promising practices. Listen for other great ideas to try.*

2:05p – Business Advisory Council Planning

- ✓ *Intended outcome: Ohio Department of Education staff will discuss the plan template. We will guide leaders through a discussion on completing goals and action steps relating to the key functions of a Business Advisory Council. Leaders will be given time to address their own council’s goals and focus on turning their aspirations in to goal statements.*

2:25p – Conclusion
