## Introduction to Education Rubric

In order to be rated in a particular column, all items with AND must be met. Please note the formatting of the rubric to assist students to understand expectations and will improve consistent evaluation by reviewers. BLUE font is the row theme. ITALICIZED words represent what is different between levels of performance (i.e., columns). Organization of the portfolio is by TAG Theme and by row (there will be three chapters, with a total of eight sections)

Example: Chapter One: TAG Theme 1: Aims of education and role of schools in a democratic society

Section 1: Educational Models

Section 2: Decision-making in education systems

Chapter Two: TAG Theme 2: Culturally Responsive and Inclusive Education

Evidence of learning includes artifacts that document and demonstrate the candidates understanding of the course content. The suggested acceptable artifacts are possible sources of evidence and should be used as a guide, but is a non-exhaustive list of examples or possibilities.

|     | Topic & CFTCS Stds                                                                                             | Suggested Acceptable Artifacts                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Accomplished                                                                                                                                                   | Proficient                                                                                                                                                                 | Emergent                                                                                                                                    | Insufficient                                                                                                                      |  |
