

# Middle School Information Technology Education Courses

		Curriculum Code/Hours		
Course Code	Course Title	VT	V3	VM
<b>Information Support and Services (N0)</b>				
145005	Information Technology	120-280	60	30-120
145010	Web Design	120-280	60	30-120
145025	Computer Hardware	120-280	60	30-120
145035	Networking	120-280	60	30-120
145060	Programming	120-280	60	30-120
<b>Interactive Media (N1)</b>				
145005	Information technology	120-280	60	30-120
145010	Web Design	120-280	60	30-120
145060	Programming	120-280	60	30-120
<b>Network Systems (N2)</b>				
145005	Information Technology	120-280	60	30-120
145010	Web Design	120-280	60	30-120
145025	Computer Hardware	120-280	60	30-120
145035	Networking	120-280	60	30-120
145060	Programming	120-280	60	30-120
<b>Programming and Software Development (N3)</b>				
145005	Information technology	120-280	60	30-120
145010	Web Design	120-280	60	30-120
145060	Programming	120-280	60	30-120

Curriculum Code	Grades	CT Funded	Assessment	Counts toward Concentrator
VT	7-12	Yes	Required	Yes
V3	7-12	Yes	Not required	No
VM	7-9	Yes	Not required	No

- Career-Technical Middle School Courses require schools to complete a CTE-26 and program of study\*.
- Students enrolled in Career-Technical Middle School Courses (VT, VM) are eligible for participation in Career-technical Student Organizations (CTSO).
- Granting High School credit for Career-Technical Middle School Course high school courses is a local school district decision.
- VM Courses do not count towards four course minimum.

\*If you have a 7-12 grade building with a current CTE26 on file, no additional CTE26 is required, unless you add a new program to that building IRN.
