Annual Assurances of STEM Schools to the Ohio Department of Education

1. The district has a plan for providing special education and related services to students with disabilities and has demonstrated the capacity to provide those services in accordance with Chapter 3323 of the Revised Code and federal law;
2. The district has a plan and procedures for administering the achievement and diagnostic assessments prescribed by sections 3301.0710, 3301.0712, and 3301.0715 of the Revised Code;
3. The School personnel have the necessary training, knowledge, and resources to properly use and submit information to all databases maintained by the department for the collection of education data, including the education management information system established under section 3301.0714 of the Revised Code;
4. The district has submitted all required information about the school to the Ohio education directory system or any successor system;
5. All classroom teachers are licensed in accordance with sections 3319.22 to 3319.31 of the Revised Code or are engaged to teach pursuant to section 3319.301 of the Revised Code;
6. The school's treasurer is in compliance with section 3326.21 of the Revised Code;
7. The school has complied with sections 3319.39 and 3319.391 of the Revised Code with respect to all employees and that the school has conducted a criminal records check of each of its governing body members;
8. The school holds all of the following:
 - a. Proof of property ownership or a lease for the facilities used by the school;
 - b. A certificate of occupancy;
 - c. Liability insurance for the school, as required by section 3326.11 of the Revised Code;
 - d. A satisfactory health and safety inspection;
 - e. A satisfactory fire inspection;
 - f. A valid food permit, if applicable.
9. The governing body has conducted a pre-opening site visit to the school for the school year for which the assurances are provided;
10. The school has designated a date it will open for the school year for which the assurances are provided; and
11. The school has met all of the governing body's requirements for opening and any other requirements of the governing body.

Required Signature

By signing this document I confirm that all assurances meet the requirements specified in ORC. 3326 and all documentation is available for audit upon request.
