

GOVERNANCE DOCUMENT FOR THE OHIO CSP GRANT IMPLEMENTATION ADVISORY COMMITTEE

The Ohio Grant Implementation Advisory Committee (“Committee”) consists of individuals committed to quality Community Schools in Ohio. The Committee will support the transparency of the Ohio Department of Education (“Department”) as it implements the Charter Schools Program State Education Agencies Grant (“CSP Grant”). The committee is a completely volunteer committee.

Scope of the Committee

The Department is forming this Committee to ensure additional accountability with respect to the implementation of the CSP Grant. The Committee is composed of individuals from key stakeholder groups in Ohio representing nonprofits with relevant expertise in community school sponsor quality; state community school organizations; institutes of higher education with expertise in performance management; high-quality community school management organizations; organizations that represent the interests of families and children enrolled in community schools; and a national organization with expertise in community school oversight and quality.

Purpose

The purpose of this committee shall be to advise and support the transparency of ODE as it implements the CSP Grant. The committee shall review and provide comment on the following:

1. The Request for Application;
2. The Peer Reviewer Application
3. The Department’s quarterly CSP Grant performance report describing all grant activities and expenditures for the quarter; and
4. The Department’s semiannual CSP Grant performance report describing all obligations, expenditures, revenues, and activities under the grant.

The Committee will be provided with an update of the status of CSP Grant activities at each meeting.

The Committee chairperson shall co-sign the Department’s semiannual CSP Grant performance reports.

Commitment of Committee Members

The Committee members shall hold their first meeting on March 3, 2017. the proper administration of the committee. If a committee member misses three consecutive meetings, the committee member will be removed from the committee and the committee member's seat shall be considered vacant. A meeting of the committee shall be called when a quorum, or simple majority, of the members are present.

During the first meeting of the committee, the members shall select a chairperson. The Chairperson shall call the meetings of the committee and co-sign the Department's semiannual performance reports.

All members of the committee shall serve for the duration of the grant.
