

2020-2021 Community School Sponsor Evaluation: Academic Component

Center for Performance and Impact
July 2020

Sponsor Performance Evaluations (ORC 3314.016)

Three Equally Weighted Components

- Academic performance
- Compliance with all applicable laws and rules
- Adherence to quality practices

Overall Sponsor Rating

Academic Performance

Compliance with Laws and Rules

Quality Practices

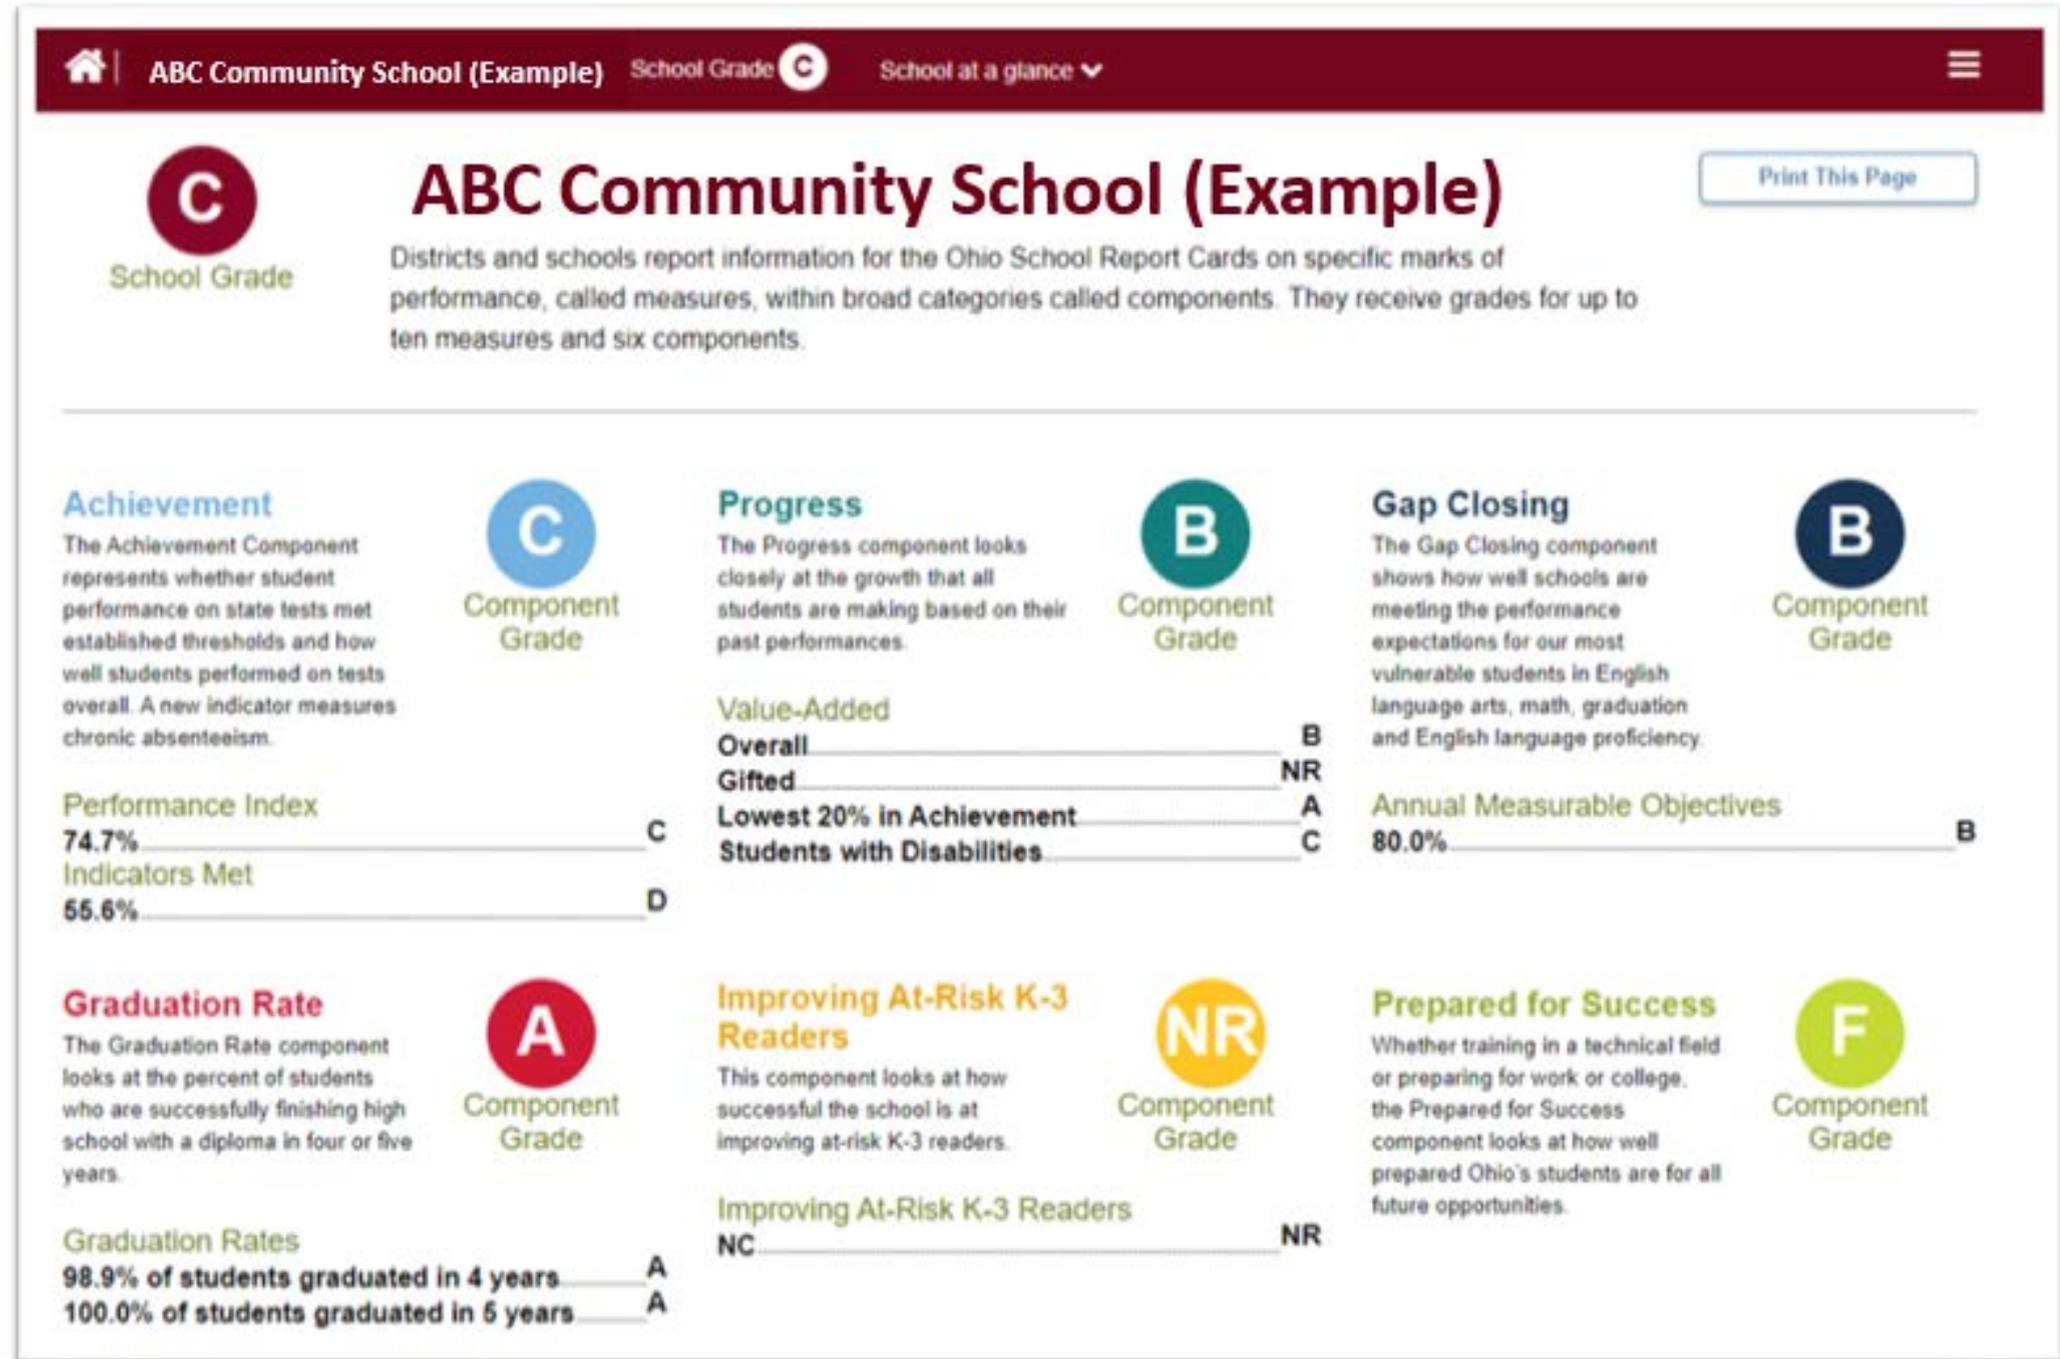

Overall Rating

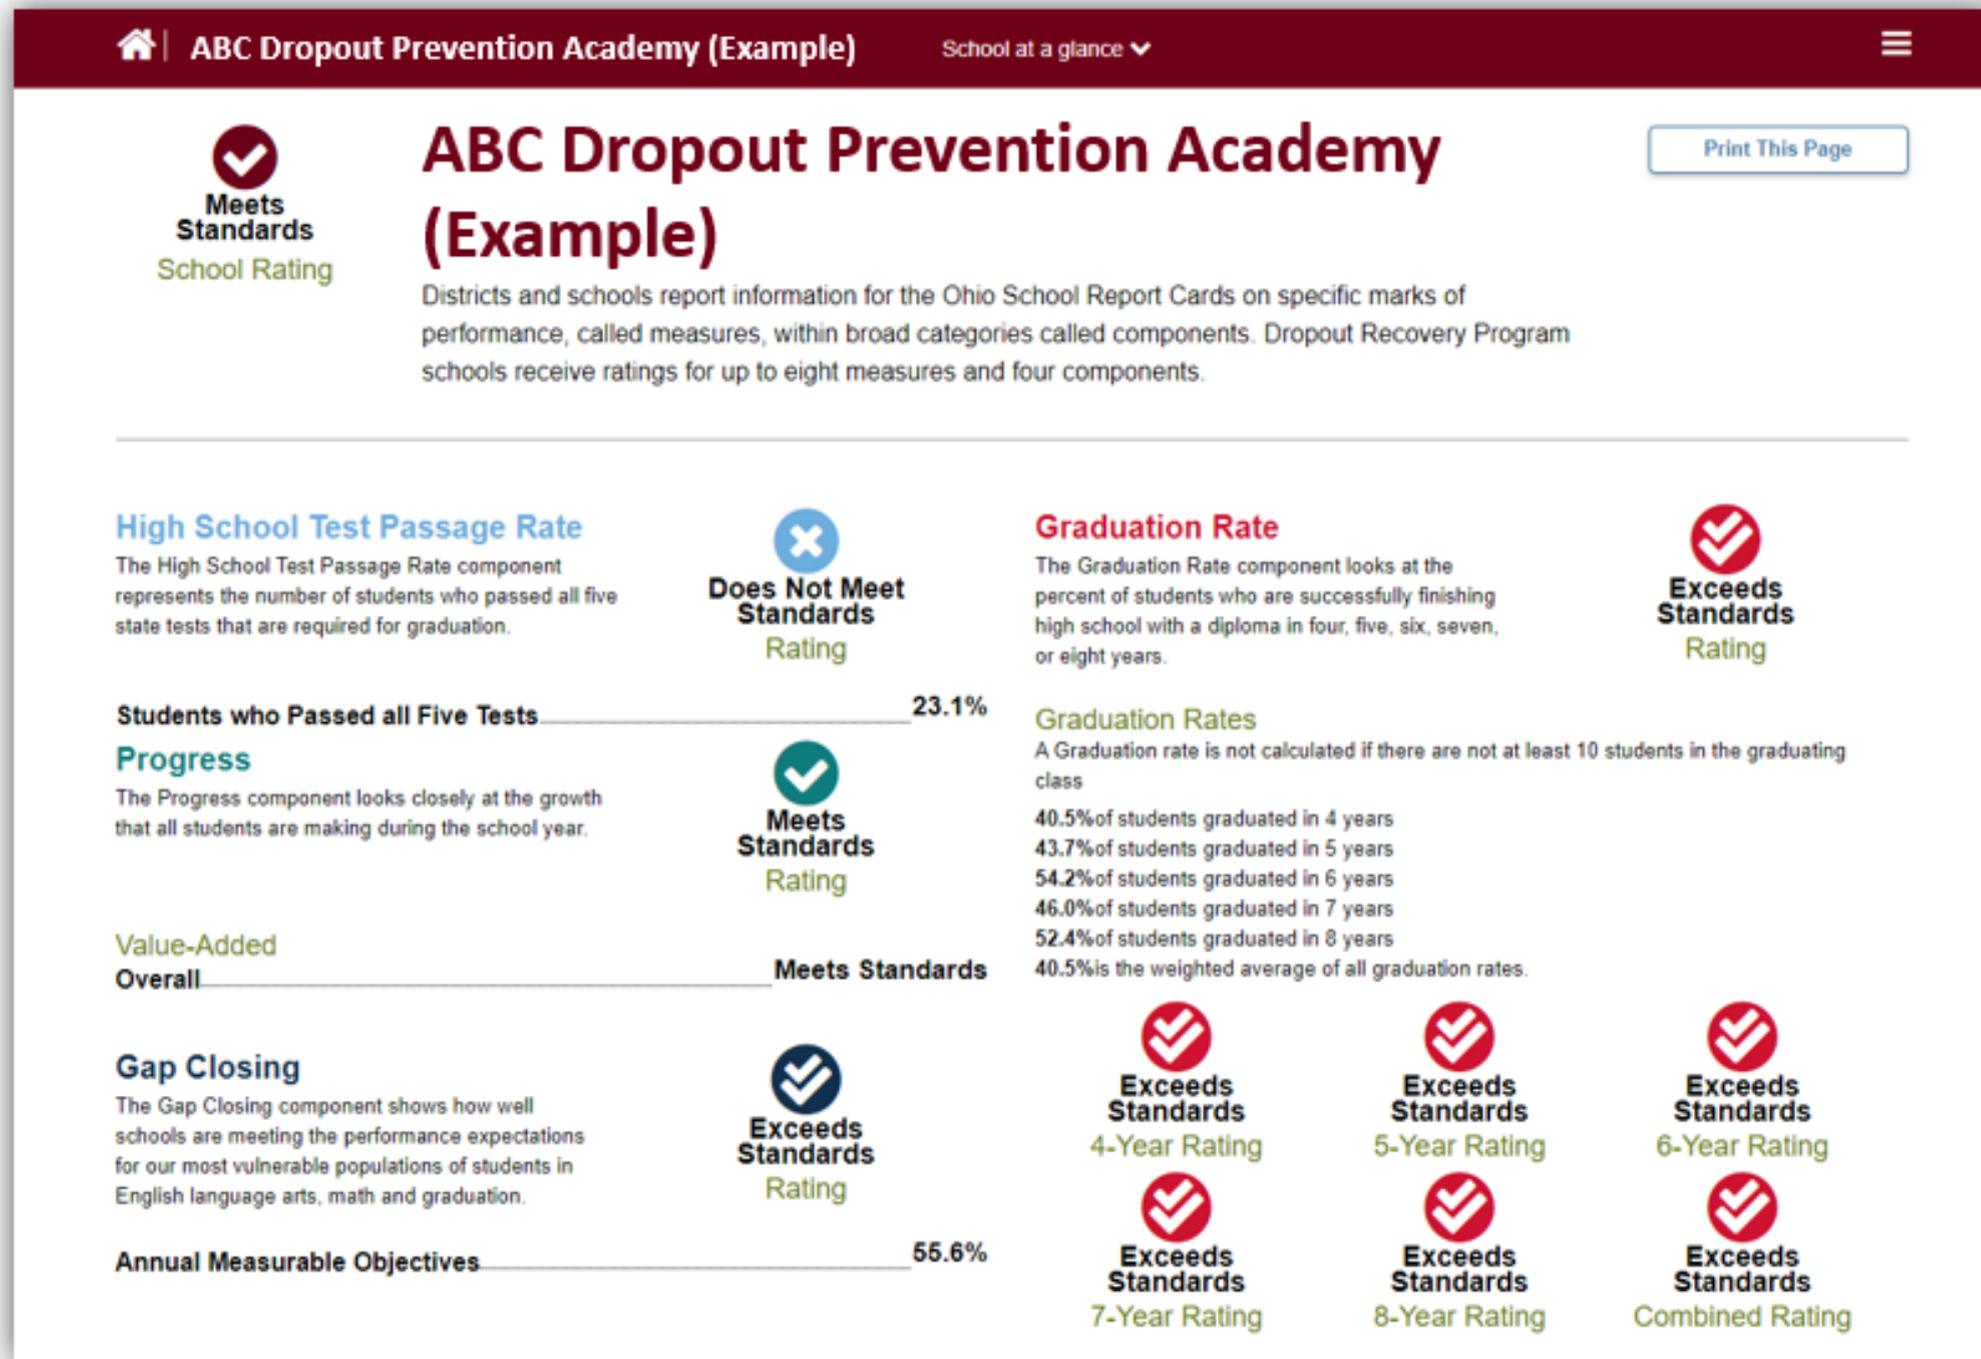

Academic Performance Component

- Must align to the Ohio School Report Cards
- Based upon all applicable report card measures
- Weighted by the number of students enrolled in each school in the sponsor's portfolio
- State law exempts schools open less than two full years and schools where a majority of the students have a disability

Overview Page: Dropout Prevention and Recovery Report Card

Academic Performance Component

Calculating Total Weighted Points

- For each school, the applicable report card component grades will be assigned a numerical value (rounded to the thousandths).
- Individual report card component points will be weighted based on the weights described in OAC 3301-28-10.

Academic Performance Component

Calculating Total Weighted Points

- Each school's report card will include an overall grade, that will be used for the sponsor evaluation.
- Total weighted component points will be calculated by taking the initial component value and multiplying it by the weight assigned to the component.

Secure Data Center

- When schools submit data in EMIS, it can be seen in the Secure Data Center (SDC).
- The superintendent of each school receives access to the SDC, and decides who else is granted access.
- SDC access is granted as a role in the Ohio Educational Directory System (OEDS).

Secure Data Center Reports

AYP

Owner: Administrator

Modified:

6/26/13 4:12:50 PM

Documents describing preliminary Annual Yearly Progress results based on the most current EMIS data. Although AYP is not a factor in the new Report Card letter grades, it is still a federal requirement to calculate and report this measure.
