

The EMIS Advisory Council's EMIS Professional Qualifications and Development Workgroup's Final Recommendation

While the EMIS Professional Qualifications and Development workgroup is not recommending licensure for EMIS coordinators, the workgroup is recommending the following four items.

- 1. The EMIS Advisory Council to create a subgroup meant to advise the Council on a regular basis until December 31, 2021, regarding Department initiatives needed to support EMIS coordinators.*
 - 2. The Department to develop and publish best practices for districts to follow regarding EMIS staff, data, and reporting.*
 - 3. The Department to develop and publish a new EMIS Manual section that goes beyond EMIS reporting rules to include information about EMIS staff, data, and reporting.*
 - 4. The Department to develop a more formalized, structured training for new EMIS coordinators.*
