2.17 STUDENT MISSING OVERRIDE (FC) RECORD

Required Collection Requests

The Student Missing Override (FC) Record is to be reported during the Student Collection Requests.

General Guidelines

A Student Missing Override (FC) Record should be reported for SSIDs appearing on the Missing Student Override Report and where an override is warranted. Once reported, an FC Record should continue to be reported for the remainder of the S Collections for the fiscal year.

If a student withdrew from school before the last day of school of the prior school year and was not reported as withdrawn, the SSID would be reported in the Missing Student Override (FC) Record. If the student’s withdrawal date was the last day of the school year or after, the student would not be eligible for an override and should be reported as a summer withdrawal.

SSIDs should be reported for students who graduated during or at the end of the previous school year for whom the district did not report a withdrawal reason during the previous year end reporting period.
