EMIS Change 22-25

FY22 Industry Credential additions, removals, and name changes. Updates to the EMIS Manual follow.

Update (June 1, 2021). *There has been an update to this change since the original posting on April 2, 2021. Note that no substantive changes have been made. The only changes from the April 2 version were to the formatting.*

To increase the ease of reading this table, only actual changes in the FY22 column are indicated via underlined blue text. Throughout the table, "✔" has replaced "X" to indicate that a credential is valid for the relevant year and "—" has replaced empty cells to indicate that a credential is not valid for the relevant year.

SECTION 2.8.1: ASSESSMENT AREA CODES

Table 1. Industry Credential (GW) Assessment Area Codes and Descriptions. The fiscal years represent the year(s) in which an Industry Credential is/was valid to be earned by students. For additional information on Industry Credentials, please see the Department's [Industry-Recognized Credentials webpage](#).

Code	Area Code Description	FY16	FY17	FY18	FY19	FY20	FY21	FY22
