Subject: 22-43 UPDATE TERMINOLOGY FOR EARLY CHILDHOOD EDUCATION QUALIFICATION ELEMENT

Hi,

I support this proposed EMIS change. Anytime ODE documentation, instructions, or guidance is aligned with current terminology is beneficial for collectors, reporters, and readers of EMIS data.

A related suggestion would be when terminology changes, can the EMIS glossary be updated as well so if older terminology is still referenced someplace on ODE's website or within the school district, involved staff can look at the EMIS glossary.
