

## **EMIS Release Notes- New Collection Request**

Collection Request Name: Yearend (N) FY13 Supplemental Reporting Period

Collection Request Description: Collection optional for all EMIS reporting entities. The Yearend Supplemental reporting period includes data that does not impact the local report card. This version of the collection request only includes collection and reporting of special education event records for the FY13 school year. Additional data types will be added in future versions. If a district chooses to submit a record type in the supplemental period, all rows of data for that record type for yearend must be submitted. Source file(s) for all student, all district, and some staff record types must be uploaded in EMIS Chapter 5 format through the Data Collector Data Sources tab.
