

EMIS Release Notes- New Collection Request

Collection Request Name: March (D) FY12 Reporting Period

Collection Request Description: CTE (career-technical education) Workforce Development Follow-Up data are reported during this reporting period. Additionally, the student CTE Industry Assessment may be reported for the same set of students. These two records are the only records reported. Data for these two record types can only be collected from the 'Files' data source.

Collection Request Planned Release Version: 1

Planned Availability Date: 1/11/2013

Submission Date Range: 1/11/2013 - 1/29/2013

Organization Types That Must Report: Entities who received a March follow-up file from ODE

Major Change from Prior FY Version? First version within EMIS-R

Data Sources Supported: Flat files only

Level 1 Reports Included: A missing student report, indicating the students who were on the original file provided by ODE but were either not in the file uploaded by the district or were in the file but excluded from the submission due to a fatal error. Note that a placeholder record for each missing student will be added into the preview and submission file.

Outstanding Issues: None.

Release Note Date: 1/11/2013
