

Change 37704 options: Re-evaluate the collection of the Graduation-Only Test (GP) Record

Option 1: Drop collection of GP Record, and add elements to the Student Attribute No Date (FN) Record

- If this is the option that is chosen, then the Courses Completed Date (GP090) and Courses Completed IRN (GP100) would be added to the end of the FN.
- Also collected in the Graduate Collection Window (G), would be the following elements;
 - CORE Economics and Financial Literacy Requirement Met (FN240),
 - CORE Fine Arts Requirement Met (FN250),
 - CORE Graduation Requirement Exemption Code (FN300),
 - Exempted from Physical Education Graduation Requirement (FN260),
 - Fiscal Year that Student Began Ninth Grade (FN110),
 - Military Compact Graduation Alternative Count (FN310), and
 - OGT Graduation Alternative (FN120)
- The Student Special Education Graduation Requirement (FE) Record would be required for students exempted if the last attending district is not the same as the reporting district.

Option 2: Continue to collect the GP, adding 27 additional elements to the record, which are from the FA and FN records.

- Add the following Grad-Only Test Score Elements for End of Course Assessments, with options to cover passed, excused, college credit or course credit alternatives, etc:
 - Algebra I
 - American Government
 - American History
 - Biology
 - English Language Arts I
 - English Language Arts II
 - Geometry
 - Mathematics I
 - Mathematics II
 - Physical Science
- Add the following Grad-Only Test Score Elements for Work Keys Assessments, with options for passed:
 - Locating Information (LCIF)
- Minimally add the following to the valid options Grad-Only Test Score Elements:
 - Passed, ACT
 - Passed, SAT
