

EMIS Release Notes- Updated Manifest

Collection Request Name: Early Learning Assessment Collection FY17

Description of Change: Fixes duplicate record validation.

Planned Availability Date: 4/11/2017

Version Number: 2

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** Yes
- **Replacing any data already submitted to ODE with a new submission?** For some EMIS reporting entities

“Updated Version Requires” Additional Information: If data was submitted even though there was an incorrect FA.1002 error, that data should be replaced at ODE with a new submission.

Known Issues Resolved: You will not get the FA 1002 Duplicate error message when reporting both a fall and spring assessment for the same student. The error will only occur if there are duplicate assessments having the same test date.

New or Updated Level 1 Validation:

Error #	Description of Change
FA.1002	Will occur only if there is a duplicate assessment exists with the same test date.

New or updated reports: none
