**Updated Version Requires:**

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** Yes
- **Replacing any data already submitted to ODE with a new submission?** Yes

**“Updated Version Requires” Additional Information:** None

**Known Issues Resolved:**

- A check on FA220 Student Grade Level with Fatal error message FA 0001 was not working correctly. This check has been removed. A check on the assessment date has also been corrected.

**New or Updated Level 1 Validation:**

Error #	Description of Change

**New or updated reports:**

Missing Student Assessment(GX)OGT Fall Results

This report contains a list of students that ODE is expecting OGT test record(s) and none has been reported. Expectation is based on the SSID being on the test vendor file as having taken the test.

FYI-Unexpected Assessment Results -Pls confirm

This report contains a list of students that ODE did not expect OGT test record(s) to be reported. The record will be accepted by ODE but the district should confirm the information on the record.
