

EMIS Release Notes- New Collection Request

Collection Request Name: Five Year Forecast - Required Spring Update (FY16)

Collection Request Description: Collection required for all city, exempted village, local, and joint vocational school districts. Five year forecast is a financial projection which consists of three years of historical data, projections for the current year and four ensuing years, the ADM forecast, and a summary of key assumptions. This collection request is for updating the initial school year submission, and will meet the requirement to submit during the mandatory spring window. Source file(s) for the QF and QN record types must be uploaded in EMIS Section 7 format through the Data Collector Data Sources tab.
