

EMIS Release Notes- New Collection Request

Collection Request Name: Five Year Forecast - Initial Optional (FY19)

Collection Request Description: Collection optional for all city, exempted village, local, and joint vocational school districts. Five year forecast is a financial projection which consists of three years of historical data, projections for the current year and four ensuing years and the ADM forecast. This collection request is for the additional/optional school year submission(s), through March 31 each year. Source file for the QF record type must be uploaded through the Data Collector Data Sources tab using the format described in section 7.2 of the EMIS manual. An attachment is required to be submitted as a .pdf or .txt with the assumptions/notes reported (in lieu of emailing a file to the ODE Office of School Finance).
