

EMIS Release Notes- Updated Manifest

Collection Request Name: Initial Staff and Course Collection (FY19)

Description of Change: By reorganizing the order of the dependency checks on the Course Master, Staff Course and Student Course records the issue with unusable Course Master records making it to ODE has been corrected. While these may appear to be new errors, they actually will help identify the few courses that can be correctly reported before the end of the collection.

Also, see Level 1 Validation and new or updated reports sections below.
