

EMIS Release Notes- New Collection Request

Collection Request Name: Remote Education Services During School Building Closure Data Collection

Collection Request Description: The data collection will provide information on remote education provided by schools during the school building closure. It has 9 questions and should take approximately 15 minutes to complete. The questions are in an Excel file named ODE_school_building_closure_remote_education_data_collection which can be found under the Files section of the Data Collector. For districts with more than one building, complete a single collection with answers reflecting the overall status for your district. Internet- or computer-based community schools are not required to complete this data collection. The LEA Superintendent or designee should update the file and return it to the EMIS coordinator for submission. This collection only includes this file- no EMIS record types are included.
