

EMIS Release Notes- Updated Manifest

Collection Request Name: Fall 3rd Gr Reading Collection FY19

Description of Change: Missing report has been turned on. It will display students with vendor results on the state-wide assessment vendor and/or students who meet enrollment criteria for having to report a test but the required test is not being reported by the district.

Planned Availability Date: 2/11/2019

Version Number: 2

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** Yes
- **Replacing any data already submitted to ODE with a new submission?** No

“Updated Version Requires” Additional Information: Both subject tests: ELA and R, must be reported for the student to not appear on the missing report. The Fall Third Grade Supplementary Assessments will list all FA records not found in the district's denominator of students required to test.

Daily updates will be made to both the missing and supplementary reports after ODE processes the district's latest student submission. Therefore, it is recommended that you review the reports to ensure student (FS) and (FD) record changes are reflected accurately in both reports.

Known Issues Resolved: None.
