

## EMIS Release Notes- Updated Manifest

**Collection Request Name:** Spring End of Course State Assessment Collection FY19

**Description of Change:** Missing report has been turned on. It will display students who meet course enrollment criteria for having to report a test but the required test is not being reported by the district.

JVSDs will only be required to report their direct enrolled students who meet course enrollment criteria. The resident district will be required to report students sent to a JVSD.

Students missing due to having vendor results will be loaded when vendor results are available.

**Planned Availability Date:** 4/25/2019

**Version Number:** 2

**Updated Version Requires:**

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** Yes
- **Replacing any data already submitted to ODE with a new submission?** No

**“Updated Version Requires” Additional Information:** If a prior results is found for American History or Government that test should not appear on the missing for the student. If a current Alterante assessment is found for a missing test, that test will be removed the following day.

**Known Issues Resolved:** None.

**New or Updated Level 1 Validation:**

**New or updated reports:** Missing Report -EOC Spring Assessment Collection FY19.
