

# Ohio Preschool Expulsion Prevention Partnership

---

Do you have a child who is no longer a good fit for your early care and learning program?  
Does this child's challenges put them at risk for expulsion or disenrollment?

---

Now, there's support available to you.

Nationwide Children's Hospital, in collaboration with the Ohio Department of Mental Health and Addiction Services, has a new resource for any licensed home child care or center childcare provider or Ohio Department of Education preschool – the Ohio Preschool Expulsion Prevention Partnership at **1-844-678-ABCs (2227)**.

A call to 1-844-678-ABCs\* (2227) will link you with an early childhood consultant in your area who can complete a consultation at your site within two business days. The consultant will:

- Observe and consult at your home, child care or preschool site
- Provide recommendations on specific child care or classroom strategies and interventions designed to have an immediate impact
- Offer service recommendations and resources for your students and families, (including referrals to local mental health providers if necessary)
- Give recommendations for training and professional development
- Connect you with free early childhood trainings

As you well know, every child deserves a high-quality, early education, but some children face significant challenges. Please call us if a child at your site can benefit from these services.

\*The line is staffed from Monday-Thursday, 8 a.m. to 7 p.m., and Friday, 8 a.m. to 5 p.m. Voicemail will be returned promptly on the next business day.
