

## 2022 – 2023 Annual Kindergarten Survey

The Ohio Department of Education is required to survey all public school districts and community schools on an annual basis regarding kindergarten schedules and fees or tuition charged for providing all-day kindergarten services per Ohio Revised Code section 3321.01.

The results are published on the Department's website on or before April 30<sup>th</sup> of each year.

The online survey was developed by professionals in the Department's Office for Early Learning and School Readiness. The invitation to respond to the survey was disseminated electronically on March 13, 2023. The deadline for responding to the survey was March 28, 2023.

## Key findings:

- About one quarter of districts responded to the survey
- 97% of the 140 public districts who responded offer All-day Every day Kindergarten
- Only 9% of the respondents reported charging tuition for Kindergarten, with a range between \$1,500 and \$6,000

## **Summary of Responses**

Summary	Public Districts	Community Schools
Response count	144/611 (24%)	60
Offer All-day Every day Kindergarten	140/144 (97%)	60 (100%)
Offer All-day Every Other day Kindergarten	3 (2%)	3
Offer Half-day Kindergarten	17 (12%)*	1
Charge fees for students in All-day Kindergarten	70 /144 (50%)	1
Amount of fees charged for All-day Kindergarten	\$7.50 - \$125	\$225
Charge tuition for students in All-day Kindergarten	13 (9%)	0
Amount of tuition charged for All-day Kindergarten	\$1,500 - \$6,020	

<sup>\*</sup>Total exceeds 100% because some public districts offer both All-day and Half-day Kindergarten

The survey included the opportunity for districts and schools to submit comments. Only a few comments were received. One district commented they would like to offer All-day Kindergarten, but all buildings are at capacity so due to space limitations they are unable to. Other respondents stated that fees are optional for items such as a technology protection fee, and tuition is only charged to non-resident students.
