

Kindergarten Readiness Assessment Revised (KRA-R) Virtual Training Dates

Fall 2021

Training on the Kindergarten Readiness Assessment is now available using an online hybrid format (including self-paced modules and a scheduled webinar). All new kindergarten teachers, or other educators who will be scoring the KRA-R, must successfully complete the training prior to assessing children.

Teachers **must have an account** in the Ready for Kindergarten Online system (KReady) to participate in the training. Registration will be cancelled for individuals who do not have an account at least one week prior to the training date.

Teachers **must complete self-paced online modules prior** to attending their scheduled webinar.
