

Information Required for the Child Care Development Block Grant Act of 2014

The Ohio Department Education (ODE) creates an annual licensing report.

This report includes summaries of the number of inspections conducted, the number and type of violations found and the steps taken to address the violations.

The Child Care Development Block Grant (CCDBG) Act of 2014 requires ODE to provide information regarding the number of serious injuries, number of incidences of substantiated child abuse and/or neglect and the number of deaths in child care settings

Information required by CCDBG that is not included in the annual licensing report is listed in the table below.
