Role of ODE

Implement *Ohio Educator Standards* and *Standards for Professional Development*

Evaluate, process and issue licenses

Provide technical assistance and resources for support

The Challenge for Resident Educators

“Beginning teachers are asked to demonstrate skills (innovative practices) they do not yet have and can only attain through beginning to do what they do not yet understand... Teach, practice, and receive consistent, deliberate, and specific feedback from exemplary teachers/mentors, in a collaborative inquiry environment of discovery and wonder.”

Sharon Feiman-Nemser 2012

Ohio Department of Education 7

15 million children across the country will be taught by a new, inexperienced teacher and face a revolving door of teachers who quit.

Ohio Department of Education

Teacher Residency

A four-year entry-level program for classroom teachers that shall include:

- Mentoring by teachers for the first two years of the program
- Counseling as determined necessary by the school district or school to ensure participants receive needed professional development
- Measures of appropriate progress which includes the performance-based summative assessment in the third year of the program

What is Residency?

Residency is a time to practice, refine and gain a deeper understanding of the *art and science* of teaching under the guidance of a certified mentor and the support of a professional learning community.

Ohio Department of Education 10

Ohio Resident Educator Program

Resident Educator Program: *Foundation*

- Ohio Standards for the Teaching Profession
- Ohio Continuum of Teacher Development
- Ohio Resident Educator Program Standards

Ohio Department of Education 11

Ohio Standards for the Teaching Profession

Includes seven standards:

- Standard 1: Students
- Standard 2: Content
- Standard 3: Assessment
- Standard 4: Instruction
- Standard 5: Learning Environment
- Standard 6: Collaboration and Communication
- Standard 7: Professional Responsibility and Growth

Ohio Department of Education

Ohio Continuum for Teacher Development

The Ohio Continuum for Teacher Development is built upon the OSTP and delineates **five levels** of teacher development:

Level	Describes
Emerging	Pre-licensure; the teacher education candidate
Developing	Residency; the teacher whose skills are developing
Proficient	The teacher who is applying knowledge and skills independently
Accomplished	The teacher who is fully skilled and able to integrate knowledge and experience - in instruction, curriculum and professional development - into practice
Distinguished	A teacher leader, consistently innovative, contributing to the professional learning community

Ohio Department of Education 13

Ohio Resident Educator Program Standards

Includes six standards:

- Standard 1: Program Administration and Leadership
- Standard 2: Principal Role and Engagement
- Standard 3: Systems Alignment and Linkages
- Standard 4: Mentor Quality
- Standard 5: Resident Educator Professional Development and Learning Communities
- Standard 6: Resident Educator Performance Assessment

Ohio Resident Educator Program

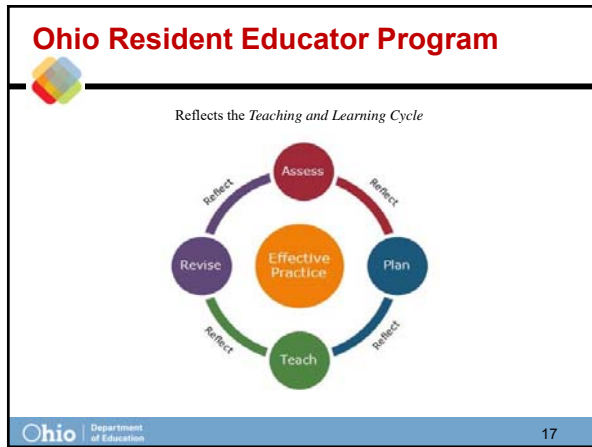

The diagram shows two stages of the Ohio Resident Educator Program. The first stage, 'Mentoring Years (Year 1 and 2)', is represented by a red box and a pink arrow pointing right. It includes the following points: RE practices sound teaching habits, Mentor tailors support, and Mentor provides feedback. The second stage, 'Performance Years (Year 3 and 4)', is represented by a green box and a light green arrow pointing right. It includes the following points: RESA: RE showcases teaching practice and formally demonstrate implementation of sound teaching habits, and RE explores optional leadership opportunities. The Ohio Department of Education logo and the number 16 are at the bottom.

Ohio Resident Educator Program

Formative Assessment

- Self-assessment
- Goal-setting
- Instructional planning using authentic teacher work such as lesson plans and assessments
- Observations for learning
- Analysis of student learning using student work and assessments

Ohio Resident Educator Program

System of Support

- Program Coordinator role
- Mentor role
- Principal role
- Resident Educator role

System of Support

What will the PROGRAM COORDINATOR do to support residency?

Program Coordinator- Plan

To provide support for the RE program planning, the program coordinator will:

- Communicate Resident Educator Program information to any teacher(s) in their district/school who may be eligible to participate
- Work with principals to select and assign mentors
- Ensure mentors attend state training for mentor certification
- Work with principals to select and assign facilitators
- Ensure facilitators complete online Facilitation Training
- Self-assess the Resident Educator Program using the Program Standards Planning Tool
- Initiate and engage in collaboration among partners of service (regional service providers, higher education faculty, local partner, etc.)
- Plan structured activities for mentors and Resident Educators to network, meet, and support each other to solve problems of practice

Program Coordinator- Implement

To provide support for the RE program implementation, the program coordinator will:

- Provide orientation to Resident Educators, mentors and building leaders about program and district requirements
- Maintain communication between resident educators, mentors, and principals
- Work with principals and mentors to plan opportunities for structured RE/Mentor time to collaborate
- Provide opportunities for mentors and resident educators to observe, collect data, and monitor progress
- Provide ongoing training and support to mentors
- Provide support for the collaborative and confidential relationship between mentors and Resident Educators

Program Coordinator-Report

To provide support for the RE program reporting, the program coordinator will:

- Use the Connected Ohio Records for Educators (CORE) system to plan, implement, and report on the Resident Educator Program each school year
- Register Resident Educators in CORE at the beginning of each school year
- Provide confirmation in CORE at the end of the school year that all program requirements have or have not been completed by June 30 of each school year
- Resident educators should receive an email once the program coordinator registers the RE in the CORE system; REs should verify this information is correct using the My RE Summary in CORE

Ohio Resident Educator Program

Resident Educator Summative Assessment (RESA)

Purpose: To assess Resident Educators' skills and practices as measured by proficiency on the Ohio Standards for the Teaching Profession

Developed through collaboration with national experts in the field, Educopia, & the Ohio Department of Education

Resident Educator License Options

Advance to five year professional educator license

Extend for one year

Renew for four more years

<http://education.ohio.gov/Topics/Teaching/Licensure/Renew-Certificate-License/How-to-Extend-Advance-or-Renew-a-Resident-Educator>

Local Professional Development Committees (LPDCs)

Process begins when an educator obtains a Professional License.

Educators must obtain LPDC approval of the Individual Professional Development Plan (IPDP) before engaging in professional development for licensure renewal.

Purpose of the LPDC

Assist educators with license renewal requirements

Establish high quality professional development criteria

Assist educators in defining their own professional development that connects locally with student needs, the CCIP and other district initiatives

Challenge for Professional Development

Increases learning of educators and students

Requires thoughtful data gathering and analysis

Requires planning, implementation and evaluation

Ohio Department of Education

High-Quality Professional Development

High-quality professional development must be organized, coherent and provide ongoing learning opportunities.

Learning must align with standards.

Learning must take place within a collaborative system with shared accountability.

Ohio Department of Education

Professional Development Standards Adopted

Educator Standards Board recommended that the State Board of Education adopt these standards

Updated Professional Development Standards adopted April 2015

Standards define the essential elements of a strong professional learning system

Ohio Department of Education

Professional Development Standards

Guidelines for creating a **system** of effective professional learning

Set of clear expectations for professional learning

Standards to guide efforts in:

- Selecting and evaluating professional learning opportunities
- Establishing policies for professional learning opportunities

Ohio Department of Education

Ohio Standards for Professional Development

Includes seven standards:

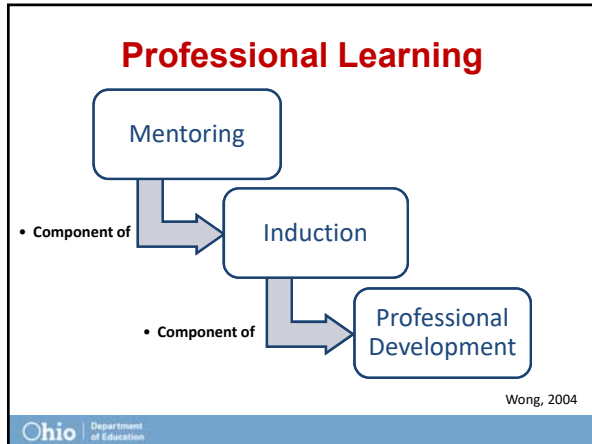

- Standard 1: Learning Communities
- Standard 2: Leadership
- Standard 3: Resources
- Standard 4: Data
- Standard 5: Learning Designs
- Standard 6: Implementation
- Standard 7: Outcomes

Ohio Department of Education

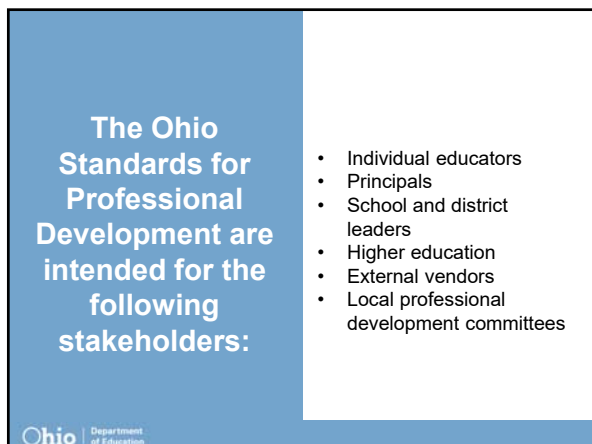

Professional Learning Impacts Student Learning

```
graph LR; A[High-Quality Professional Development] --> B[Improved Knowledge, Skills and Practices]; B --> C[Gains in Student Learning]
```

Ohio Department of Education

Individual Educators

The standards will guide educators in **designing their individual plans** for professional learning and identifying effective professional learning opportunities.

Principals

The standards will guide principals in designing their individual plans for professional learning and working to ensure their schools offer effective systems of professional learning.

School Districts and Leaders

School and district leaders responsible for designing, implementing and evaluating systems of professional learning should use the standards to design, implement and evaluate the system's professional learning program.

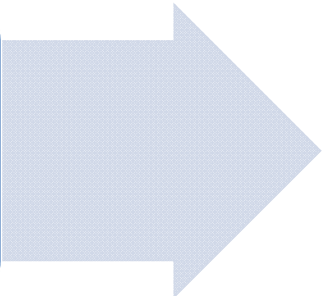

Higher Education

Members of higher education institutions should plan course offerings for educators that align with the characteristics of high-quality professional learning.

Ohio | Department of Education

External Vendors

External vendors of professional learning should use the standards to ensure that they offer Ohio educators high-quality professional learning opportunities.

Ohio | Department of Education

Local Professional Development Committees

Members of local professional development committees can use the standards to help educators create individual plans and to evaluate the plans of individual educators.

Ohio | Department of Education

Embedding the Standards in Practice

Study the standards to learn effective professional learning practices

Use them to:

- Advocate for effective professional learning
- Evaluate professional learning opportunities
- Request improvements to existing professional learning opportunities

Apply them in planning, design, facilitation and evaluation of professional learning
