

BACK CLAIMING

- 1) What are the requirements for back claiming?
 - a. As of July 2009, ODJFS was still in discussions about the details of the back claiming process. As soon as details are finalized, those details will be shared with the MSP stakeholder and vendor community.
- 2) Can back claiming be extended to a later date than 9/30/09?
 - a. No. As of now (July 2009), ODJFS has no plans to extend the cutoff for back claiming submissions beyond 9/30/09.
- 3) When can our school district begin to submit back claims?
 - a. NOW until 9/30/09. After 9/30/09, back claims will no longer be accepted outside of the typical 365 day window for claims submission. Please remember ODE has determined that parental consent is required for back claims in MSP.
- 4) I work for a school district, and I want to submit back claims- is it required I deliver services in the MSP program after 9/30/2009?
 - a. Yes, MSP providers should participate in the Random Moment Time Study (RMTS) as well as submit a cost reconciliation cost report for the full MSP program year of 10/1/09 to 9/30/10.
