COMMUNITY SCHOOL PAYMENT REPORT AND DATA

The January payment report is a comprehensive tool designed to walk the user through every step of the funding formula and shows the payment calculations. This report is commonly known as the School Finance Payment Report (SFPR).

- Updated **FY2020** enrollment data provided as of December 23, 2019 through the EMIS data collector and SOES are used for the following funding categories:
 - Opportunity Grant
 - Targeted Assistance
 - Special Education
 - Limited English Proficiency
 - Economically Disadvantaged
 - o K-3 Literacy
- Career tech funding is based on the FY2020 CTA course data entered in the EMIS.

- The targeted assistance per-pupil amount and economically disadvantaged index reflects the resident district's most recent FY2019 data.
- Transportation payments are paid based on actual ridership data submitted through EMIS in FY2019 for community schools that provide direct transportation to their students.
- FY17 Final #1 deductions that were spread over the course of one or more fiscal years (for some schools) will continue to impact settlement reports.
- FY18 Final #1 deductions that were spread over the course of one or more fiscal years (for some schools) will impact settlement reports.
- FY19 Final #1 deductions that were spread over the course of one or more fiscal years (for some schools) will impact settlement reports.
- FY19 Final #2 deductions that were spread over the course of one or more fiscal years (for some schools) will impact settlement reports.
- Student wellness and success funding is a new funding component under FY20 'additional aid items' on-line N. There was a calculation error identified after the October payment was finalized. In some cases, the payment calculation incorrectly provided Enhanced Student Wellness and Success Funding to some ineligible students. This had the impact of yielding a higher annual payment than what can be provided under Ohio law. School funding and IT staff corrected the reports for the November payment to display the correct annualized amounts. The Department will pay the balance of any Student Wellness and Success Funding due in February.
- The Quality Community Schools Support payment was included in the January foundation payment for those Community Schools that were eligible to receive it. The general assembly appropriated \$30,000,000 for FY2020. The calculated award amount exceeded the appropriation and ODE prorated the amounts of all awarded community schools to approximately 88.57 percent of their total calculated award.
