

# Department of Education

John R. Kasich, Governor  
Dr. Richard A. Ross, Superintendent of Public Instruction

**TO:** All School Bus Drivers, Transportation Directors, Supervisors  
**FROM:** Bob Harmon  
**Date:** Wednesday, February 5, 2014  
**Subject:** 2014 Regional School Bus Safety ROAD-E-O Information

Start making plans for the 2014 School Bus Driver Safety Road-E-O. New strategies and a variety of events will make for a challenging Road-E-O. Below you will find the respective locations, date, and contact person for each region.

As in years past, the top six drivers from each region will advance to the State competition that will be held at Licking Heights High School, 4000 Mink Road, Pataskala, Ohio. (Entrance is actually off of Cable Road.) The date is May 17<sup>th</sup>.

With some modified events for both the Regional and State competition, an updated Driver's Handbook and a New Event guide that will soon be posted to the ODE website, this year's events will challenge drivers of all levels. ODE's website is [www.education.ohio.gov](http://www.education.ohio.gov). Once on the site, select *Topics*, then select *Finance and Funding*, then select *School Transportation*, then select *School Transportation Safety*, then select *School Bus Driver Safety Road-e-o*. The 2014 information can then be reviewed. Registration forms are part of these handbooks and regional registration **deadline is April 28, 2014.**

If you have any questions or need additional information about this year's events, please contact your local regional site chairperson or your preservice instructor. We look forward to seeing you there.
