TO: Community School Administrators

FROM: Paolo DeMaria, Associate Superintendent, Center for School Finance

SUBJECT: August Community School Payment

DATE: October 1, 2007

This payment reflects the factors based on AM Sub H.B. 119 with modifications implemented for FY2008.

Community School Payment Report

1. This payment is based on the data reported in CSADM and extracted September 15th and 23rd.

Community School Foundation Statement of Settlement Report

1. All unresolved fatal flags that exist when the CSADM system was extracted September 23rd will be utilized for October payment.

CSADM Updates

- 1. Any student withdrawn prior to the start of school, before the from date or having their hours zeroed out must be withdrawn with the proper withdraw reason. The ONLY valid reasons for those students are "*4 new enrollee no show" and "*5 returning student, no show" even if the school knows where the student is attending. The reason we are forcing those selections has to do with coding the student as inactive, which stops the flow of funds.
- 2. A revised FY08 CSADM manual has been posted to CSADM Corner
- 3. Federal Low Income (formerly FLICS) reporting documentation has been posted to CSADM corner.
- 4. Transportation module will be implemented for those community schools that will be offering transportation per Sub H.B. 119. Documentation will be sent to those specific schools.

IMPORTANT NEWS FOR FY08:

As you know the new biennium budget bill for FY 08 and FY09 was signed on June 30th. There are some changes that impact community school funding.
