Community School Foundation Statement of Settlement Report

1. Limited English Poverty Based Assistance (LEP PBA) funding for identified LEP students attending a community school is based on the resident district's LEP per pupil amount times the FTE's of the LEP community school students. The District of Residence per pupil amount will vary based on the student's district of residence.
2. Only community schools that offer an all-day kindergarten program are eligible to receive PBA All-Day Kindergarten funding for students who come from PBA All-Day Kindergarten eligible districts. As indicated in the February payment letter, schools were required to identify the type of kindergarten program they offered in the CSADM entity profile by February 15. Schools that are providing all-day kindergarten but did not identify their KG program as all-day did not receive PBA All-Day Kindergarten funding this month. Schools that had been receiving this funding and wish to regain their eligibility must identify the type of kindergarten program they offer in the school's CSADM profile before the March 15 extract. As a reminder, eschools are not eligible to receive any PBA funding.
