RE: September 2010 Foundation Payment #1

**DATE:** August 31, 2010

This payment reflects the factors in Am. Sub. H.B.1 of the 128<sup>th</sup> General Assembly.

# **Foundation Payments**

Foundation payments are calculated according to the Evidenced-Based Model (EBM) and reported on the PAthway to Student Success (PASS) form. The PASS worksheet displays the detailed data and calculations that support the funding reported on the PASS form. Reference manuals for the PASS form and the PASS worksheet are posted on the ODE web site. These calculations were updated to reflect FY2011 changes.

# **EMIS October Count for Funded ADM**

For the current payment, FY2010 EMIS data as of 4/23/2010 and FY2010 Community School and EdChoice counts were used in the add-in for the ADM calculation. FY2009 data is still being used for the number of students for the Autism Scholarship add-in.

# FY2011 Updates

EdChoice deductions were updated to an estimate based on the scholarships awarded for FY2011.

Community school deductions were updated to the current year deductions.

### **Preschool Units**

Preschool unit calculations were paid at 99.5460650% in this payment and updated to reflect the unit based on FY2010 EMIS data.

#### Statement of Settlement

**JV90 –** This payment includes direct reimbursement for the revenue loss associated with the deregulation of electric utility fixed rate levies.

**JV91** – This payment includes direct reimbursement for the revenue loss associated with the deregulation of electric utility fixed sum levies.

**JV95** – This payment includes direct reimbursement for the revenue loss associated on taxes levied within the 10-mill limitation for debt purposes.

Ted Strickland, Governor Deborah S. Delisle, Superintendent of Public Instruction

**Monthly Payment Calculations –** Continuing with this payment, the statement of settlement contains a new blended approach to calculating payments and recoveries: a percentage based method is used for payments and the installment method used in calculating the bi-monthly payment amount in previous fiscal years is used for recovery of overpayments.

We have posted a spreadsheet to assist districts with the percentage based calculations used for the statement of settlement at: <a href="http://education.ohio.gov/GD/DocumentManagement/DocumentDownload.aspx?DocumentID=83748">http://education.ohio.gov/GD/DocumentManagement/DocumentDownload.aspx?DocumentID=83748</a>

#### **ESC**

The state per pupil amount of \$37.00/\$40.52 for multi-county ESC's is paid at 100% for locals, cities/exempted villages, and community schools. Budget reductions included in Sub. H.B. 1 were subsequently applied reducing each ESC's annual amount by 10.657034% of the calculated total.

Special education transportation was carried forward from FY2010.

Preschool unit calculations were paid at 99.5460650% in this payment and updated to reflect the unit based on FY2010 EMIS data.

### **Boards of Developmental Disabilities**

The per pupil funding for students attending a Board of Developmental Disabilities has been carried forward from FY2010 and increased by 0.75%. This per pupil amount is then multiplied by the number of school-aged pupils served.

Special education transportation was carried forward from FY2010.

Preschool unit calculations were paid at 99.5460650% in this payment based on updated FY2010 data from the Office of Early Learning and School Readiness. The school age payment is based on the October 2009 ADM data as submitted to the Office of Early Learning and School Readiness.

If there are any questions with regard to the adjustments or the statement of settlement, please contact this office or your area coordinator.
