RE: June 2011 Foundation Payment #1
DATE: June 3, 2011

This payment reflects the factors in Am. Sub. H.B. 1 of the 128th General Assembly.

Foundation Payments are calculated twice a month according to the provisions of the **Evidence-Based Model (EBM)** and are reported on the **PA**thway to **S**tudent **S**uccess (**PASS**) form. The PASS form for each payment that is posted on the ODE website is accompanied by a number of worksheets that display detailed data and calculations that support the funding reported on the PASS form. Reference manuals for the PASS form and the PASS worksheets are posted on the ODE website. The PASS calculation is updated for each payment to reflect the changes that occur in the factors and data elements for FY 2011.

Statement of Settlement:

- Continuing with this payment, the statement of settlement contains a new blended approach to calculating payments and recoveries: a percentage based method is used for payments and the installment method used in calculating the bi-monthly payment amount in previous fiscal years is used for recovery of overpayments. We have posted a spreadsheet to assist school districts' personnel with the percentage based calculations used for the statement of settlement at:
