APPROVED WORLD (FOREIGN) LANGUAGE ASSESSMENTS
Aligned to ACTFL Proficiency Guidelines 2012

The Ohio Department of Education is pleased to provide the list of approved World (Foreign) Language assessments. The minimum qualifying score equivalent to the required Intermediate High level of proficiency is provided for each assessment on the list.

The criteria used for determining appropriate vendor assessments for the Ohio Seal of Biliteracy are:

- The assessments must be either performance- or proficiency-based;
- The assessments must test the language skills of listening, speaking, reading and writing;
- The Department may make exceptions for performance- or proficiency-based assessments of less commonly taught languages that may not test all four language skills;
- American Sign Language assessments must cover interactive, receptive, and expressive skills;
- Classical language assessments must minimally assess performance or proficiency in reading;
- Assessment scoring must demonstrate clear alignment with the American Council on the Teaching of Foreign Languages (ACTFL) 2012 Proficiency Guidelines;
- The assessments must have sufficient item coverage from Novice Mid to Advanced proficiency or performance levels aligned to the ACTFL 2012 Proficiency Guidelines;
- International assessment scoring aligned to the Common European Framework of Reference (CEFR) does meet the requirement of alignment with the 2012 ACTFL Proficiency Guidelines;
- Assessments that focus primarily on testing discrete grammar and vocabulary knowledge or skills are not appropriate measurements of performance or proficiency for the Ohio Seal of Biliteracy.
