Dear Superintendent,

Thank you for submitting the Beacon Academy Reading Achievement Plan. The submitted plan is compliant with Ohio Administrative Code 3301-56-02. The Ohio Department of Education is committed to working with districts to raise student achievement in reading. Please find below feedback associated with the district's submitted Reading Achievement Plan.

Strengths of the Reading Achievement Plan:

- The plan uses the Ohio Improvement Process structures for shared leadership.
- The plan identifies evidence-based strategies for vocabulary instruction.

This plan will benefit from:

- A deeper dive into the student data in order to make data driven instructional decisions aligned to the 5 components of reading (phonemic awareness, phonics, fluency, vocabulary and comprehension).
- Including opportunities to engage families.

In January 2020, the Department published the revised version of [*Ohio's Plan to Raise Literacy Achievement*](#). This plan articulates a state literacy framework aimed at promoting proficiency in reading, writing and communication for all learners. It is driven by scientific research and encourages a professional movement toward implementing data-based, differentiated and evidence-based practices in all manners of educational settings. We encourage district and school teams to review the state plan and contact the Department or State Support Team for professional learning opportunities aimed at implementing this plan in districts and schools across Ohio.

The district's Reading Achievement Plan and this memo will be posted on the Ohio Department of Education's website. If the district revises the Reading Achievement Plan and would like the revised plan to be posted to the Department's website, the revised plan and this request must be sent to readingplans@education.ohio.gov.

Please note that House Bill 197 of the 133rd General Assembly contains emergency legislation regarding spring testing and state report cards. The Department is working on further guidance pertaining to FY20 Reading Achievement Plan requirements.

Sincerely,

Melissa Weber-Mayrer, Ph.D.
